

Digital signage solution to control 1000 in store displays with our Comfort-display cloud software.

Current News

Friday, December 20, 2019 Digital signage solution to control 1000 in store displays with our Comfort-display cloud software.

We happy to announce that we helped Blackpool Food distribution to implement a digital signage solution to control 1000 in store displays with our Comfort-display cloud software. They can now centrally schedule and publish digital content to over 58 stores in Manchester, Preston and Blackpool.
